

1st Year Homework Club 2019-2020

Dear Parent/Guardian,

We will be offering homework club to 1st year students from **Monday 9th of September 2019**. This service allows students to complete their homework in a supportive and structured environment. It starts immediately after school and is one hour in duration.

A school member of staff supervises the students and offers support and advice on homework tasks given during the course of the school day. There will also be advice and guidance on study skills, effective study and much more.

Please complete and return the form below if your child wishes to attend homework club. Numbers will be restricted to ensure students who attend will benefit from this service. The school also operates another homework club for other Junior Cycle students and offers supervised after school study.

There is no cost associated with homework club.

Regards,
